bloomerang + **Qgiv**

Put relationships at the heart of your fundraising

Automatically sync Qgiv fundraising data with Bloomerang to save time, make data-driven decisions and cultivate impactful, long-term relationships.

Be more efficient

Automatically sync detailed gift, interaction, and custom information to save valuable time and prevent manual data entry errors.

Cultivate relationships

Gain a complete picture of your donors' history, information, and giving potential so you can personalize your interactions and feel confident about every single appeal.

Optimize strategy

Map Qgiv data to the correct Bloomerang fund, campaign, and appeal to gain a 360-degree view of all transactions and easily surface actionable insights.

> "We particularly love Qgiv's integration with Bloomerang! This helps streamline our fundraising processes and makes us more efficient, but most importantly helps us focus our attention on our donor relationships and stewardship within Bloomerang.
>
> **Joseph Maley Foundation**

Bloomerang + Qgiv is an all-in-one giving platform empowering nonprofit leaders to attract new donors, build lasting relationships and inspire limitless generosity.

All your data in one place

Save valuable time by automatically syncing all transaction and constituent data. Uncover actionable insights into the health of your fundraising strategies through customizable fundraising dashboards and donor reports.

Customized to your unique needs

With custom integration settings, it's a breeze to choose your sync frequency, sync custom fields, select exactly which data to share, and align data to the correct campaign, fund, and appeal.

Easy to set up

Set up the integration in minutes using a step-by-step wizard. Sync historical data and set up integration defaults so you can set it and forget it.
